OUR SUPPLIERS

ALL OF THE INGREDIENTS IN OUR DISHES ARE CAREFULLY SELECTED FROM TRUSTED SUPPLIERS, AND FRESH PRODUCE IS BROUGHT TO US DAILY. WE ARE PROUD TO SUPPORT LOCAL FOOD PRODUCERS, WE AIM TO SOURCE INGREDIENTS FROM THEM WHEN WE CAN.

STAAL SMOKEHOUSE

We use the award-winning Staal Smokehouse in Long Riston for their beautifully smoked salmon and duck. The smokehouse is owned and run by Justin Staal, who has a passion for delicious hand-smoked produce; a dependable supplier we are proud to work with.

TG BROUMPTON & SON

Our pork comes from local award-winning farmer Ian Broumpton, who runs the family business in Brandesburton with his son Daniel.

CONTINENTAL QUATTRO STAGIONI

CQS are specialist suppliers of Italian food and wine, and we buy our pizza flour from them, as well as our salami and a range of fabulous Italian wines.

WELLOCKS

Wellocks are a family-run business who search globally for produce which has been grown with love and pride. We have worked closely with Wellocks from the very start – they even took us across to Italy to introduce us to their specialist suppliers of authentic Italian ingredients.

THE YORKSHIRE WAGYU COMPANY & SANDSFIELD FARM

We rear the Wagyu cattle ourselves on our family farm, just one mile from the restaurant. We then pass them on to the Yorkshire Wagyu Company, who bring it back to us at the restaurant. All our burgers are Wagyu beef, the fine marbling of Wagyu meat adds the flavour to the beef.

COUNTRY VALLEY MEATS

They are a family run business and work closely with farms across the North of England. We like to work closely with them as they provide the finest locally sourced meats.

HODGSON FISH

Where we can we like to source our produce locally, including the fish. We chose Hodgson's being another family run business, providing fish to the UKs leading restaurants and being almost on our door step, they provide us with a large selection of good quality fresh fish.
